Re: U.S. v. Antoine Stewart
02-Cr. 1435 (LAP)

Dear Judge Preska:

I would like to apologize for the typographical error contained in my letter of January 13, 2021. The letter erroneously states that my clients family spoke with the Government.

I am requesting that the reply date for Mr. Stewart's First Step Act Motion, currently due on January 14, 2021 be extended for 30 days. I am requesting this time in order to confer with my client who is currently in custody in Pennsylvania. I have conferred with the Government and they have no objection to this request. Thank you for your time and consideration in this matter.

The extension requested above is approved.

SO ORDERED.

Dated: January 14, 2021
New York, New York

LORETTA A. PRESKA, U.S.D.J.

Sincerely,

s/
